CORE COMPETENCIES

- **Behavioral health program support, ages 16–24** — trauma-informed individual and group counseling support, crisis de-escalation, and referral coordination, delivered by appropriately licensed clinical staff.
- **Anger management and conflict resolution** — structured eight-session curriculum delivered to court-mandated and self-referred clients, adaptable to residential youth populations.
- **Life skills and employability training** — group facilitation covering emotional regulation, interpersonal skills, and workplace readiness.
- **Credentialed clinical staffing** — sourcing, vetting, and contracting independently licensed clinicians (LPC, LCSW, psychologist) for roles requiring independent licensure.
- **Campus support services** — janitorial, grounds maintenance, food service, and laundry delivered through a vetted subcontractor network under Northgate contract management.
- **Federal contract administration** — SAM.gov registration, FAR compliance, wage determination administration, subcontractor management, and invoicing.

DIFFERENTIATORS

- **SBA-certified WOSB** — subcontract dollars count toward prime women-owned small business goals under FAR 52.219-9 subcontracting plans.
- **Philadelphia-based** — about three miles from the Philadelphia Job Corps Center, with regional reach to Keystone (Drums) and Red Rock (Lopez).
- **Clinically led** — principal is a Licensed Associate Professional Counselor (PA #APC001416) holding an M.S.Ed. in School & Mental Health Counseling from the University of Pennsylvania.
- **Direct adolescent and young-adult experience** in university counseling center and community mental health settings. English and Russian language capability.
